## Agri TRADE MEDIA

Agriculture B2B Tabloid

Agriculture is increasingly getting pressure-ridden. How to produce sufficient for the swelling population of the world...without destroying the environment? How to excel in agri business earn money while farming? These questions are staring in the eyes of the farmers, Agriculture Industries and the policymakers.

Agri Trade Media focuses on farm-preneurs and industries catering to the needs of agriculture. ATM publishes content beneficial for the trade and industries which serve the farmers who toil and moil in the soil.

Agri Trade Media ( ATM ) serves as a bridge between policy makers and manufacturers, dealers and of course the farmers i.e. all the stake holders working in the field of Agriculture.

### CONTENT:

- We have a large team of seasoned journalists who work in the fields of agriculture and allied industries. They take efforts to produce content that is insightful, and informative.
- They describe the current scenario, challenges and opportunities in the industries. They talk to the game changers exclusively to broaden the view of the readers.

### QUALITY OF READERS:

- We will reach to 15000 high-end B2B readers including Dealers, Manufacturers from - Agri Input Sector. Agri Machineries, Implements. Hi-Tech Nurseries, Exporters & Traders.
